

March 2022  
Reporter's Reporter

It's spring time!! Spring is in the air and members are looking forward to a break from school before the last quarter begins. The big event this month is Regional Club Days held in Medicine Lodge, KS on March 19, 2022. We had 3 members who had the opportunity to advance to regionals and compete against surrounding counties. Those members were: Callen Corr, Jancey Goodno, and Janda Goodno. Callen Corr received blue on his demonstration entitled "Frosty Orange Drink". Jancey Goodno received a blue on her Horse project talk. Janda Goodno received a purple on her Goat project talk. Our monthly club meeting was held on March 20, 2022 at the Hardtner Community Center. Leader, Amanda Corr, congratulated Callen Corr, Jancey Goodno, and Janda Goodno for his/her hard work at Regional Club Days. She also reminded members of the following deadlines: Add/Drop Projects May 1, Tagging Deadline for the Barber County Fair May 7, state livestock nominations - Market Beef April 24, all other June 8. She also discussed what she has learned so far about the online record book keeping. Community service and fundraising were the big discussion for the monthly meeting. Members voted to help the Hardtner Chamber hide Easter eggs for the Annual Hardtner Easter Egg Hunt on Saturday April 16. Members also voted to have a bake sale and breakfast at the Annual Hardtner Easter Egg Hunt and they wanted to do the "Egg My Yard" fundraiser as well. Members decided on a fun fundraiser of "Egg My Yard" where members sold candy filled Easter eggs and hid them on Easter morning in yards in Hardtner and Kiowa. Our last discussion was National Volunteer Week April 17-23. We decided to write thank you cards to volunteers within Barber County and mail them during the week of April 17-23. Jancey Goodno closed out the meeting by giving a Horse project talk and led members in an exciting game of musical chairs. Our next meeting will be April 10, 2022 at 5pm. Stay well, stay safe and 4-H on!

Sincerely,

Callen Corr
